About Christopher Terrace: Christopher Terrace is a seniors' residence located in Burlington, offering a full range of services and care for 71 residents. We are part of the **Allegro** network, which is comprised of 40 residences throughout Quebec, Ontario, British Columbia and Alberta. This translates into some 6,700 apartments and suites, and more than 2,000 caring employees dedicated to the comfort and well-being of our 7,600 residents. For more information on Christopher Terrace or other Allegro residences, please visit www.residencesallegro.com.

SUMMARY OF DUTIES:

The **Unregulated Care Provider (UCP)** will be working as an integral part of the team, to provide care for residents. The incumbent will be responsible for a wide range of duties, such as

- Admitting, discharging and assessing residents;
- Carrying out doctor's orders, including administering medications;
- In charge responsibilities include supervising PSWs and other staff;
- Responding to emergency and urgent situations as needed;
- Receiving and ensuring secure storage of medications.
- Follow up with families and residents

REQUIRED QUALIFICATIONS:

- Excellent oral and written communication skills;
- Caring, patient and positive attitude;
- Exceptional organizational and time management skills;
- Professional and calm under pressure;
- Detail-oriented and extremely accurate in all work;
- Ability to handle multiple and conflicting demands in a changing environment;
- Pro-active, demonstrates good initiative, the ability to work independently and the willingness to learn and seek direction when needed.

This position is ideal for candidates who are international medical doctors (IMDs) who are currently unable to practice medicine in Canada, especially those with a background in geriatrics, and general/family practice. Full orientation and training will be provided to successful candidates.
